TOO MUCH FOR THE BATSMEN

Pitchers Masters of the Game on the Diamond This Year.

THE HITTING VERY LIGHT

Box May Have to be Placed a Bit Further From the Plate.

The pitchers are masters of the game in base-ball this year. The hitting has become to light that the abolition of the foul strike rule next season is assured, and it is possible that the pitchers' box may be placed a bit further from the plate. Not in many years has the batting been so light as in the National and American Leagues this year. This is a testimonial to the skill of the pitchers, rather than to the weakness of the bat-

rather than to the weakness of the batters.

It is a remarkable coincidence that but eight men in each of the two be leagues have batted above .300, thus limiting the exclusive circle to sixteen men. Lajoie, of the Cleveland team, still maintains his position as premier batsman of all the leagues, having an average of .379, while Hans Wagner, the star hitter of the National League, leads that organization's stickers with .342. Next to Lajoie in the American League comes little Willie Keeler, of the New York Americans, one of the most scientific men in the business. Donlin is second in the National list, with .336, but he played in only 79 games and made his high javerage before the pitchers ripened into form. There is a wide gap between second and third in the American League, "Hoffman, of the Athletics, who played in but 46 games, having an average of .338, while Chance, of Chicago, is third in the National League, with the high average of .344. Davis is fourth in the American, with .303, while Seymour is fourth in the National, with .336, and Beckley, fifth, with .314, "Seybold, an old Richmond player, is fifth in the American, with .307.

The other three National Leaguers batting above .300 are; Dunn, New York, .308; Gessler, Brooklyn, .303; Tius, Philadelphia, .200. The other three in exclusive society in the American League are: Parent, Boston, .303; Murphy, Athletics, .301; Heldrick, St. Louis, .301. Lajoie leads the individual hitters in total bases, with 128; Murphy, of the Athletics, is second, with 128, Boston leads the American League in long hits, Detroit in double league, with 34 games won and \$1 lost; Mercera, with 34 games won and \$1 lost; Mercera, with 34 games won and \$2 lost; Mer

ers, with 34 games won and 8 lost; Mc Ginnity, of New York, leads the Nationa League pitchers, with 30 games won and

Forty-four American League batsmer are hitting over .200 and under .200, and fifty-five National League hitters are be-tween .200 and .200. Here are the lists up to September 25th: American League.

INTERESTING FACTS.

For Nearly Every Man, Woman or Child. A short time ago we published an arti-cle recommending to our readers the new discovery for the cure of Dysepsia, called Stuart's Dysepsia Tablets, and the Stuart's Dyspepsia Tablets, and the civims then made regarding the wonderful curative properties of the remedy have been abundantly sustained by the facts. People who were cautious about trying new remedies advertised in the newspapers and were finally induced to give Stuart's Dyspepsia Tablets a trial were surprised and delighted at the results. In many cases a single package, costing but 50 cents at any drug store, made a complete cure, and in every instance, the most beneficial results were reported. From a hundred or more received, we have space to publish only a few of the latest, but assure our readers we receive so many commendatory letters that we shall publish each week a fresh list of genuine, unsolicited testimonials, and never publish the same one twice.

From James Yemmelsler, La Crosse, Wis.: Stuart's Dyspepsia Tablets are doing me more good than anything I evertried, and I was so pleased at results that I gave away several boxes to my friends who have also had the same benefits.

From Jacob Anthony, Portmurray, New Jersey: I have tuken Stuart's Dyspepsia Tablets with the best results. I had Dyspepsia for six years, and had taken a great deal of medicine, but the Tablets seem to take right hold and I feel good. I am a farmer and lime burner, and i heartily recommend to every one who lass any trouble with his stomach to use these Tablets.

From Mrs. M. K. West, Preston, Minn.; civims then made regarding the wonderful

lins any trouble with his stomach to use these Tablets.

From Mrs. M. K. West, Preston, Minn.; I have received surprisingly good effects from using Stuart's Dyspepsia Tablets. I gave one-half of my last box to a friend, whe also suffered from indigestion, and she had the same good results.

From Mrs. Agnes K. Ruiston, Cadillac, Mich.; I have been taking Stuart's Dyspepsia Tablets, and I am very much better, and feel very grateful for the great beneft I have received in as short a time. Stuart's Dyspepsia Tablets are a certain ourse for all forms of Indigestion. They are not claimed to be a cure-all, but are prepared for stomach troubles only, and physicians and druggists everywhere recomment them to all persons suffering from Nervous Dyspepsia, sour or acid stomach and similar disorders.

waste material.

Our grandmothers knew this when they dosed us with sulpliur and molasses every spring and fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease, and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafers is undoubtedly the best and most widely used.

They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins while experimenting with sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafers. In patients suffering from bolis and pimples and even deep-seated carburgles. I have regeatedly seen them dry

and pimples and even deep-seated car-buncles. I have repeatedly seen them dry buncies, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuurt's Calcium Wafers is a proprietary article, and sold by druggists, and for that reason tabooed by many physicians, yet I know of nothing so safe and reliable for constination, I.ver and kidney troubles and especially in all forms of skin diseases as this remedy."

At any rate people who has tired of pills, cathartics and so-called blood "purifiers," will find in Stuart's Calcium Wafers, a far safer, more palatable and effective preparation.

Among all classes in the United Kingdom, regardless of party, the unexpected news caused a sensation and genuine regret. The somewhat pathetic announcement in March last of his intended retirement had prepared the public for Sir William's eventual disappearance from the active arena of political strife, but there had been no whisper that his stalwart constitution had been radicaly impaired by nearly forty years of flerce parliamentary strife.

oblituary that appear is keen regret at the disapearance of such a strenuous type as Harcourt from the ranks from both parties. This "swashbuckler," as his opponents used to call him in his life time, was upheld even in the midst of the recent political strife over free trade as the type of man who knew his own mind and was not afraid to fight for it. English politics, as one paper says, will now lose something of their sting. But those intimate with the inner feelings of the members of the House of Commons know that the gap in the front bench, where the huge figure of SIr William had long grown to be a familiar sight, will be uncommonly hard to fill. Not since Lord Sallsbury died, has the death of any statesman created so much genuine feeling at the headquarters of both parties. The National Liberal Club immediately half masted its flang and sent a message of sympathy to Lady Harcourt. The other clubs followed suit.

Friends say I look younger and stronger than I did 30, years ago. I have always enjoyed health and been able to eat and sleep well, though I have been a hard worker. Even now I wait on myself as me busy on a pretty piece of fancy work. My sight is so good I don't oven use glasses. Am still blest with all my faculties The real secret of my great age, health, vigor and content is the fact that for many years I have taken regularly a little Duffy Pure Malt Whiskey, and it has been my only medicine. It's wonderful how quickly it revives and keeps up ones' strongth an spirits. I am certain I'd have died long ago had it not been for my faithful old friend "Duffy's." August 10, 1304.

Duffy's Pure Malt Whiskey

The sincere and grateful tribute of Mrs. Tigue to the invigorating and life-prolonging powers of Duffy's Pure Mait Whiskey is one of the most remarkable and convincing on record. She sews, reads and is dependent upon no one for the little services and attentions of old age. Mrs. Tigue's memory is perfect, and her eyes sparkle with interest as she quaintly recalls events that have gone down into history of the past hundred years. Instead of pining, as many women half her age, she is firm in the belief that with the comforting and strengthening assistance of Duffy's Pure Mait Whiskey she will live another quarter of a century. If you wish to keep young, active and vigorous, and have on your cheeks the roses of health, and retain full possession of your mental powers, you must take Duffy's Pure Mait Whiskey regularly as directed and avoid drugs of all kinds. It nourishes the vitality no matter how weak or feeble it may have become; feeds and enriches the blood, and stimulates the circulation, giving health and power to body, brain, nerve and muscle.

The absolute purity of Duffy's Pure Mait Whiskey is attested by the fact that thousands of doctors and hospitals use it exclusively, and that it's the only whiskey recognized by the Government as a medicine. It contains no fusel oil.

Caution.—When you ask for Duffy's Pure Mait Whiskey be sure you get the genuine. Sold by reliable druggists and grecera everywhere, in sealed bottles only, never in builk. Look for the trade-mark, the "Old Chemist," on the label, and be sure the seal over the cork is not broken. \$1.00 a bottle.

HAPPIEST MAN IN UNCLE SAM'S NAVY.

"I am the happlest mun in Uncle Sam's navy. I must have got the piles from always sitting on the guns, for I have to get on them to clean them, as I am diest-class gunner's mate in the after turret.

"I could not do any work when I had the piles; my shipmates did it for me. I certainly was in a bad condition; to-day there is no man aboard the ship in better condition than I am, and I can certainly thank Pyramid Pilo Care for the world of good it has done men. I used so many different medicines and spent lots of money until I used this remedy; It is the only one of the whole lot that did me any good.

"The, first box nearly cured me, and I don't think I ever felt happler in my life, that I thought I got the real stuff at last. To make sure of a cure, I used a number of boxes; also two boxes of Pyramid Pilis and one and one-half boxes of Pyramid Pilis and one and one-half boxes of Pyramid Pilis and one and I lie Cure left, that I keep in case I meet apy one that is a sufferer of piles. I thank Pyramid Pilo Cure a million times." Julius A. Koestor, U. S. Flagship Kearsarge.

The wonderful cures effected by this remedy are subject for remark among members of the medical profession everywhere. A little book describing the causes and cure of piles is published by the Pyramid Drug Co. Marshall, Mich., and we advise every sufferer to write for it. It is a singular fact that one out of every four suffers from this distressing complaint, and another poculiar feature is that it is no respector of persons, attacking both those of high and of low degree, the laborer and the millionaire, the serubwoman and the lady of fushion. We have pletsure in recommending Pyrumid Pile Cure to all such, as it possesses merit, and since it is sold by all druggists generally for the low price of fifty cents a package, a prompt and spredy cure is easily within the reach of everyone.
